APPLICATION FOR A BIRTH, DEATH AND/OR MARRIAGE CERTIFICATE

Imperial County can only issue birth, death or marriage certificates for events occurring in Imperial County. Newborn certificates are available approximately four weeks from the birth date. State law requires this office to issue two different types of certified copies to requesters: **authorized** and **informational**. Both types are certified copies of the original document on file with our office.

INSTRUCTIONS: All sections must be completed in their entirety. If no record of the event is found, the fee will be retained for searching as required by statute and a "Certificate of No Record" will be issued. No refunds or exchanges will be made once the search and the copy (ies) have been issued.

Applying by mail: Indicate type of certificate requested, complete the application and sign the sworn statement. A notary public must acknowledge your signature on the sworn statement. The notary acknowledgement shall be taken by a United States notary public and shall be sufficient in accordance with the laws of the state where the acknowledgment is made.
